

LEADERS IN TRAINING PROGRAM

(ages 15-17)

Experience the fun of camp while learning leadership skills through our Leaders in Training (LIT) program! Work alongside an Abbey Gardens Programming staff to deliver camp programs this season. LIT's practice their skills by leading games, crafts, activities and shadowing education staff during camp programs. A hands-on opportunity to cultivate self-awareness, communication and cooperation skills all while getting community service hours.

What makes our Leaders in Training program so unique? A one-of-a-kind opportunity to participate in a 3 hour Equine Assisted Learning (EAL) session as part of an orientation day prior to your camp experience. Working with our ponies and experienced trainers, LIT's complete activities with our ponies designed to help identify leadership styles, gain confidence and learn appropriate assertiveness. The orientation day is held on Friday June 30th from 9:30am-4:30pm. Cost is \$50 per person (includes lunch).

Our Leaders in Training program is perfect for youth ages 15-17.

To get started, submit a cover letter and resume to Irene Heaven: irene@abbeygardens.ca by June 16th. Cover letter should express why you'd like to take part in this program, as well as the camp(s) you'd like to assist with and the dates you're available. Please note that you must attend the orientation day to participate in our Leaders in Training Program.

Participants will be hands-on in all aspects of daily care, management and training of our ponies: learning to properly catch, groom and handle them. Using our powerful teachers Sammy, Maple and Flapjack, participants will develop confidence, self-awareness about their behaviour, and alternative skills to help them overcome challenges and cope with the social pressures they face today.....but trust me parents, your kiddos will just think they're playing with horses ;)

Please note that all our horsemanship is based on ground training techniques and care, there is no riding.
